

## **Quality Policy**

The Policy of Atlas SM Ltd is to provide a service, which give total Customer satisfaction.

We recognise that the continued future success of the Company depends on the Price, Delivery of the Service and the Quality of the Service we provide. The Quality of the Service must be of the highest possible standard if we are to meet the ever increasing demands by our Customers. We intend to provide a Service which is fit for purpose and completely meets our Customers requirements.

One of our objectives is to implement and maintain a Quality Management System which meets the requirements of BS EN ISO 9001: 2008 which meets Security Company Standards BS7499 and BS7858. All requirements will be in line with legislation and regulatory requirements including insurance commensurate with the business needs.

Conformance to procedures and the Management System is mandatory for all employees; this will ensure achievement of our Quality Objectives. The Company ensures that the Quality Policy is understood, implemented and maintained at all levels within our Organisation. Commitment to maintain and improve our Management Systems will be driven from the Top Down and reinforced at every level.

In addition to strict adherence to those procedures, we strive continually to develop and maintain the right attitude towards high Quality achievement throughout the Company. Only through a recognised Quality Management System will we achieve our Company Quality Policy of complete Customer satisfaction.
